

JULY NEWS

a monthly 'hiya' from Kingsland Church

Church Outside

After the morning services on Sunday 7th we're holding a picnic on the field behind the Lexden Crown, along with some fun sports day events to watch or take part in. Last shout for a church picnic - or bring your own.

On Sunday 28th July our evening service will be "Church i the park" in the same place at 6.30, with Ice cream! though we'll be back at base if its wet.

Who Cares?

Who Cares is fuelled by a simple question - 'What hurts the Most?' During the autumn we'll be using this questionnaire across the church and community, and using the answers to shape some of our events and activities into 2020.

Essence Prep

To prepare for Andy and Kirsty's visit you're invited to a get together on Fri 12th July to pray and prepare. For anyone wanting to be involved in drumming or moving there's a training event on 16th at 8pm, and the Movers also meet on the 5th July.

Theres also a Worship Jam on Tues 9th for everyone where the focus will be on the mission...

Open Mike night

Look out for the launch of Kingsland academy, with a lot of valuable courses over the next academic year to equip for life and ministry. Particularly excited by Ministry 2.0, combining the first term of the ACT course with the streams from MAP in term 2 and 3. Bible, theology and practical ministry.
