

JUNE NEWS

a monthly 'hiya' from Kingsland Church

Who Cares?

Who Cares is fuelled by a simple question - 'What hurts the Most?'. During the autumn we'll be using this questionnaire across the church and community and using the answers to shape some of our events and activities into 2020. If you want to go to a training day for this on Fri 21st or Sat 22nd June please reply to this email.

Essence

So pleased that Andy Au and Kirsty Hallet (though that's no longer her surname since she married) are coming back to Kingsland July 19-21st. We'll be joining in mission together in Culver Square on the Friday afternoon and Lion walk all day Saturday. They will lead a guest service on Sun 21st July.

Alpha

Started in May and runs throughout June. A great opportunity to learn, understand, grow, develop and ask questions. each Monday at 7.45.

Walking Group

hit reply for details of a 4 hour 10 mile walk around Danbury on the 22nd June. Great fellowship.

Lost in His Presence

a privilege to host this event again in May. Our own KYG and choir both did a great set and Noel Robinson was brilliant too!

Away weekend

So the main event this month is our away weekend, it's too late to book now but please pray whether or not you're coming. We just want the smile and presence of God over the whole weekend, the weather, attitudes of people, the sessions, the kids. Really looking forward to it all. Glorious.

The theme this year is prayer and there'll be lots of opportunity to connect with heaven, pray, receive, intercede and just be with Father. We see this as a great opportunity to prepare for the work of God that is here and is coming.

Summer groups

On Sunday we gave out a leaflet about the summer groups, attached. There's some great options, please sign up asap and make the most of the opportunities that we have here. We have such gifted people in the church and we are excited to offer various options.

Love. Equip. Celebrate.
